Decorating a Latvian Christmas tree

1. **In the beginning** we bring a fir- tree from the wood / a market

2. When the tree is inside the house, **the first thing to do** is put it into water.

3. **After that** start preparing different natural materials for a traditional Latvian Christmas tree: small apples, gingerbreads, home- made sweets and all other types of handmade decorations. **However**, nowadays people often use tinsel.

4. **Next** decorate the tree.

5. **Then** take the candles, put them in the candlesticks and fix them to the branches of the Christmas tree. **At the same time** make sure that the tree is in a safe place to avoid the risk of fire.

6. **Finally** light the candles and get ready for celebrating!

7. **Eventually** enjoy the Christmas celebrations!
