

## PROJECT WORK

Imagine that you are working for a Travel Agency that wants to include the Pilgrimage of Şumuleu Ciuc (Csíksomlyó) on their list of offers. You are asked by the manager to search and collect information and create a package holiday that could be advertised for clients.

Form groups of 3-4 people. Create a package holiday to Şumuleu Ciuc (Csíksomlyó) for the time of the pilgrimage event. Your target group will be adults above 30, including families with children under 14. Give a short description of the pilgrimage event. Try to find the best way to travel, best offers on accommodation (different types and prices, from hotels to small rural pensions), places to visit nearby Şumuleu Ciuc (Csíksomlyó) and activities that are suitable for your target group of clients.
